

## 9.5 Turning (33)

1. You want to turn left. When must you check for traffic behind?

- a) Before getting into lane and again immediately before turning
- b) ~~Only once before turning~~

2. Two vehicles are approaching each other. Both want to turn left. What must they do as a rule?

- a) They turn in front of each other
- b) ~~They pass each other in a wide arc and turn behind each other~~

3. Two vehicles are approaching each other. Both want to turn left. In which cases are you not allowed to turn left in front of each other?

- a) When this is forbidden by lane markings
- b) When you notice that the approaching vehicle wanting to turn left wishes to turn behind your vehicle
- c) ~~When the approaching vehicle wanting to turn left stops just before the middle of the crossroads~~

4. What can give rise to particularly dangerous situations where several lanes turn off?

- a) Driving too fast
- b) Changing lanes while turning off
- c) ~~Keeping exactly to your lane~~

5. Driving on a very busy road with several lanes, you have manoeuvred yourself into the lane for taking a left turn. Now instead of turning left, you want to turn right. What should you do?

- a) I turn left
- b) ~~Driving a wide curve, I turn right~~
- c) ~~I reverse with my hazard warning lights turned on~~

6. You want to turn left. In what sequence do you prepare to take the left turn?

- a) Observe the traffic behind you, indicate the direction of turn, enter the lane
- b) ~~Enter the lane, indicate the direction of turn, Observe the traffic behind you~~
- c) ~~Indicate the direction of turn, enter the lane, observe traffic behind you~~

7. You want to turn left. What difficulties could arise here?

- a) Traffic turning left can come dangerously close
- b) Visibility restrictions caused by oncoming vehicles
- c) Misunderstandings with oncoming traffic turning left

8. How do you respond to pedestrians wishing to cross the road into which you want to turn?

- a) Allow the pedestrians to cross the road
- b) ~~Make the turn quickly before the pedestrian~~
- c) ~~Only wait if the pedestrians are using a marked crossing~~

9. You want to turn right into a priority road. What must you look out for?

- a) For cyclists and pedestrians alongside you to the right or behind you
- b) Vehicles coming from the left and from the right
- c) ~~Only for vehicles coming from the left~~

10. **PHOTO:** All three vehicle want to turn left. Which is in the correct lane?

- a) The yellow car
- b) the green car
- c) ~~the truck~~

11. **PHOTO:** After turning left, you want to turn immediately right. How should you position your vehicle?

- a) the red car
- b) ~~the blue car~~
- c) ~~the green car~~

12. **PHOTO:** You have taken the right lane by mistake

- a) To the right
- b) Straight ahead
- c) ~~To the left when the traffic lights are "green"~~

13. **PHOTO:** Why might taking the right turn be dangerous here?

- a) Because my vehicle might start to skid if I take the turn too fast
- b) Because vehicles emerging from the side street could start to skid
- c) Because I might possibly not be able to stop in time, if pedestrians are crossing the side street

14. **PHOTO:** You want to turn right. What should you do?

- a) Allow the cyclist to pass through the junction
- b) Check way is clear by glancing over your shoulder
- c) Take the turn ahead of the cyclist

15. **PHOTO:** How should you behave?

- a) Give way to both cyclists
- b) Only give way to the cyclist travelling in the same direction
- c) Sound your horn and take the turn before the two cyclists

16. **PHOTO:** What is the right course of action?

- a) I forgo my right of way so as to not block the junction
- b) I have to allow the cyclist to pass through
- c) I may turn left before the cyclist

17. **PHOTO:** What is the right course of action?

- a) I have to allow the cyclist to pass through
- b) I may make the run in front of the cyclist
- c) The blue truck may proceed first

18. **VARIANT PHOTO:** You want to turn left. What driving line should you maintain?

- a) The left-hand one
- b) The right-hand one
- c) The central one

19. **VARIANT PHOTO:** The cyclist wants to continue straight ahead. What is the right course of action here?

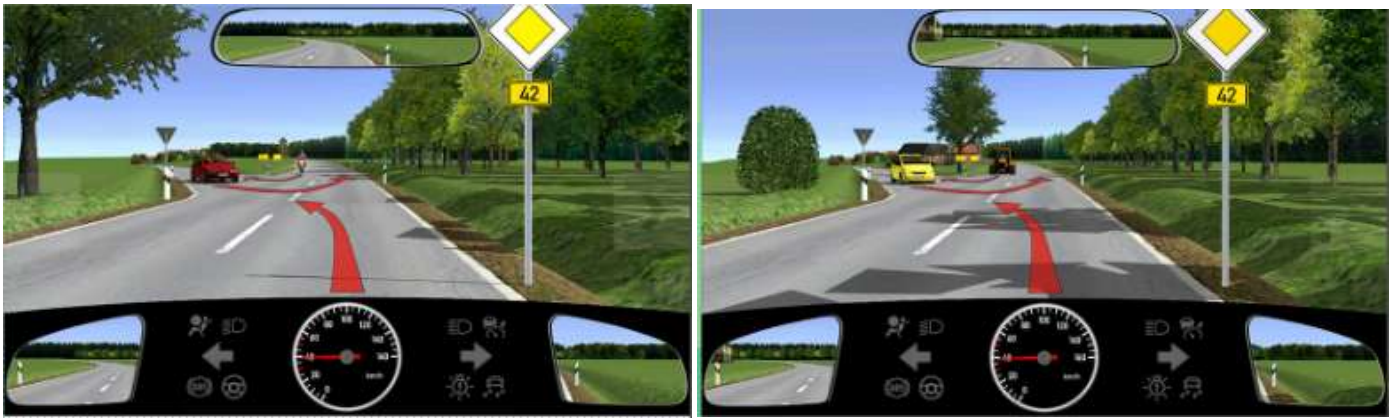

- a) I remain behind the cyclist
- b) I overtake the cyclist

20. What driving line should you maintain up to the left turn?

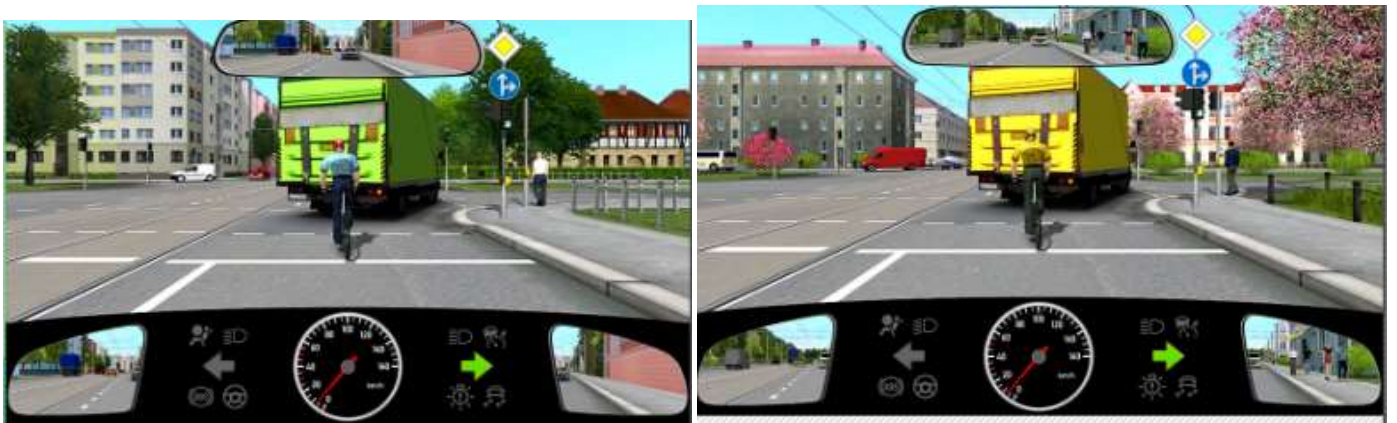

- a) The right
- b) The left

21. Who is required to indicate a change of driving direction here?

- a) Me
- b) The red car / yellow car
- c) The motorbike / tractor

22. You want to turn right. What must you be prepared for?

- a) After the truck has taken the turn, pedestrians could approach from the opposite side of the road
- b) The pedestrian could let the truck pass by and then cross the road in front of me
- c) The truck will stop

23. What is the right course of action?

- a) Wait, because the two pedestrians have priority
- b) Continue driving, because the two pedestrians have to give way to me
- c) Proceed in front of the oncoming pedestrian, because he is required to wait

24. What is the right course of action?

- a) I wait, because the two pedestrians have priority
- b) I continue driving, because the two pedestrians have to wait
- c) I take the turn before the oncoming pedestrians, because only this one is required to wait

25. You have manoeuvred into the left lane by mistake, but would like to take a right turn. What is the right course of action?

- a) I continue driving straight ahead or turn left
- b) I move carefully into the right-hand lane
- c) I drive straight ahead and turn right at the intersection

26. **VIDEO:** You want to turn right at the junction. What should you do?

- a) I refrain from turning right, and remain in my lane
- b) I steer clearly to the right, in order to create a space in the right hand lane
- c) I wait until all the vehicles have passed by, and then I move into the right hand lane

27. **VIDEO:** Why you are required to stop here? Because of the \_\_\_\_\_

- a) the van
- b) the pedestrian
- c) ~~the cyclist~~

28. **VIDEO:** Why do you have to wait before turning right? Because of the \_\_\_\_\_

- a) the cyclist
- b) the pedestrian
- c) ~~the van~~

29. **VIDEO:** What must you watch out for now?

- a) For the vehicle on the road ahead
- b) For the bicycle
- c) ~~For the motorbike~~

30. **VIDEO:** What must you watch out for when turning right here?

- a) For the cyclist
- b) ~~For the motorbike~~
- c) ~~For oncoming traffic~~

31. **VIDEO:** Why are you required to stop now?

- a) because of the tram
- b) because of the white car
- c) because of the cyclist

32. **VARIANT VIDEO:** What must you watch out for now?

- a) For the cyclist on the right
- b) For the cyclist on the left
- c) For the green car

33. **VARIANT VIDEO:** Why do you have to wait before turning right?

- a) Because of the cyclist
- b) Because of the pedestrian
- c) Because of the black car
