

9.2 Driving alongside (16)

1. (4P) What must you remember when you want to change lanes?

- a) You must signal your intention to change lanes in time
- b) You must pay attention to the traffic following behind
- c) ~~You must always brake heavily before changing lanes~~

2. (3P) On a road with several lanes in one direction, one of the lanes ends ahead. You are driving on the lane which is coming to an end. What should you do?

- a) Only move over just before the road starts to narrow by following the zipper feed-in method
- b) ~~Move into the through lane immediately after you see the first sign indicating that the road will narrow~~
- c) ~~Always be the first to move over into the through lane~~

3. (3P) In what situations is the alternate merging procedure to be used?

- a) If lanes are not continuously free to traffic due to an obstacle
- b) When lanes come to an end
- c) ~~Where merging lanes join~~

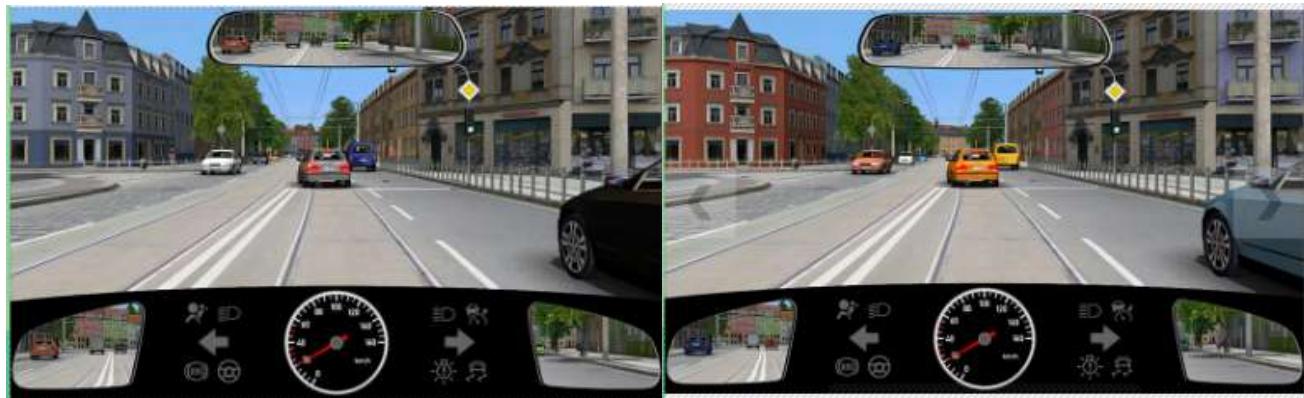

4. (3P) A lane terminates on a road with several lanes heading in the same direction. What should you do when driving on the through lane? I have to

- a) Allow traffic on the terminating lane to merge in accordance with the alternate merging procedure
- b) ~~Drive past the vehicles on the terminating lane~~
- c) ~~Make eye-contact and then decide according to the situation~~

5. (4P) What should you know about using the rear-view mirror?

- a) I am unable to see vehicles and pedestrians in the blind spot
- b) Rear-view mirrors must be adjusted to the particular driver
- c) ~~The interior mirror has no blind spot to the right side~~

6. (4P) You want to continue driving straight ahead. What is the right course of action?

- a) I remain waiting in my lane
- b) I move to the right if there is sufficient space in the traffic
- c) ~~I overtake the vehicle alongside me and switch lanes~~

7. (4P) For what reason do you have to switch to the right hand lane now?

- a) Because of the rule on using the right hand lane unless overtaking etc
- b) Because of the red car
- c) ~~Because of the tractor~~

8. (5P) VIDEO - What is the right course of action?

- a) I slow down
- b) ~~I accelerate~~
- c) ~~I continue driving as before~~

9. (5P) VIDEO - What is the right course of action ?

- a) I remain behind the bus for the moment
- b) ~~I overtake the bus at a moderate speed~~
- c) ~~I switch lane without overtaking immediately~~

10. (4P) VIDEO - What should you do?

- a) Reduce speed, be ready to brake
- b) ~~Move to the left hand lane~~
- c) ~~Continue driving, flash lights to signal~~

11. (4P) **VIDEO** – What is the right course of action?

- a) I wait before the obstruction
- b) I continue slowing down
- c) ~~I switch to the left-hand lane~~

12. (4P) **VIDEO** : Why do you have to slow down here?

- a) Because of the truck
- b) ~~Because of the white car~~
- c) ~~Because of the speed limit~~

13. (4P) **VIDEO** : What should you do now?

- a) I let the blue car merge in front of me
- b) ~~I immediately change from the left lane to the central lane~~
- c) I accelerate

14. (4P) **VIDEO**: You want to continue straight ahead. What should you do?

- a) I change lanes just before the narrowing of the road
- b) ~~I move into the right hand lane now~~

15. (3P) What do you do if you want to drive straight on?

- a) Brake so that the driver in front can change lanes
- ~~b) Overtake the other vehicle in the left-hand line since the traffic light is green~~
- ~~c) Sound your horn to indicate to the driver in front that he may not change lanes so close to the crossroads~~

16. (4P) What must you reckon with here?

- a) The vehicle in front changing lanes
- b) Denser traffic beyond the underpass
- ~~c) The right-hand lane coming to an end~~
