

9.3 Passing (17)

1. Which vehicle must wait when half the roadway is closed because of roadworks?

- a) The vehicle on the side of the roadway where the roadworks are
- b) The vehicle on the unobstructed side of the roadway
- c) Always the smaller vehicle

2. What do you do when you see this traffic sign?

	<ul style="list-style-type: none">a) You may only take precedence when the narrowing is clearb) You must be ready to stop despite taking precedencec) You must give precedence to the oncoming traffic
---	--

3. What should you anticipate?

	<ul style="list-style-type: none">a) That vehicles will begin movingb) That doors of vehicles will be openedc) That pedestrians will suddenly walk onto the road
--	--

4. What must you do?

	<ul style="list-style-type: none">a) Drive slowly because a door on one of the vehicles could be opened on the roadway sideb) Drive slowly because children might run out from between the parked vehicles at any timec) Drive at the permitted maximum speed because there is no actual apparent danger
---	--

5. What should you anticipate?

	<ul style="list-style-type: none">a) The motorbike could swerve to the leftb) Pedestrians could cross the road in front of the vanc) The person beside the van could encroach further onto the road
---	---

6. What do you do?

a) Reduce speed and, if necessary stop
b) Proceed, pulling over onto the pavement
c) Speed up and proceed since the oncoming traffic must wait

7. What is your assessment of this situation?

a) The pedestrian with the moped may change direction suddenly
b) The female pedestrian may walk unheeding onto the road
c) I can continue driving at the same speed

8. Who must wait ?

a) I must wait
b) The oncoming vehicle must wait

9. VIDEO – What must you be prepared for?

a) As it begins moving, the bus will swing onto my side of the road
b) Oncoming vehicles will move onto my side of the road
c) Passengers walking in front of the bus onto the road

10. What must you be prepared for in this situation?

- a) That oncoming traffic will appear
- b) That traffic signs are concealed behind the truck
- c) That the truck driver will jump down onto the carriageway

11. **VIDEO** – Why should you drive especially slowly here? Because _____

A screenshot from a driving simulation showing a large orange truck on the right side of a two-lane road, narrowing the available space for oncoming traffic. Other vehicles are visible in the background. The car's dashboard is at the bottom of the frame.	<ul style="list-style-type: none">a) The truck is narrowing the laneb) People are proceeding onto the roadc) I am approaching a traffic light junction
--	--

12. What must you be prepared for?

- a) For visual obstacles
- b) For persons crossing
- c) For vehicle doors opening

13. What should you anticipate?

- a) That adults could walk onto the road
- b) That it could be necessary to brake heavily
- c) That children could appear between the vehicles

14. What should you anticipate?

- a) That children will suddenly appear between the vehicles
- b) That pedestrians will walk onto the road in front of me
- c) That ~~pedestrians will wait until I have driven past~~

15. **VIDEO** - What should you do now? I continue driving _____

This block contains two parts. On the left is a screenshot from a driving simulation. It shows a road with a white dashed line in the center. A white truck with red and blue hazard stripes is driving towards the camera. The road is surrounded by green trees and fields. The car's dashboard is visible at the bottom, showing a speedometer and side-view mirrors. On the right is a large empty text area where the student's answer should be written. Above this area, there are three multiple-choice options:

- a) If it is clear that there is no oncoming traffic
- b) ~~So as not to impede the way of possible oncoming traffic~~
- c) ~~Because any possible oncoming traffic must already be waiting~~

16. **VIDEO** – Why should you continue to slow down here?

This block contains two parts. On the left is a screenshot from a driving simulation. It shows a road with a white dashed line in the center. A red car is driving ahead of the viewer's car. The road is surrounded by green trees and fields. The car's dashboard is visible at the bottom, showing a speedometer and side-view mirrors. On the right is a large empty text area where the student's answer should be written. Above this area, there are three multiple-choice options:

- a) Because other people may walk onto the road
- b) Because the red vehicle could cross onto my lane
- c) ~~Because otherwise my vehicle could leave the road~~

17. **VIDEO** - What should you do in this situation? I move _____

- a) Into the gap to allow the oncoming vehicle to drive past
- b) Backwards, because the oncoming vehicle has right of way
- c) Onwards, because the oncoming vehicle has to reverse
